

WyHigh Update Issue 101 w/c 10th July 2017

Mr Rockey, Principal

Careers Day: The Future's Fair event was a huge success this week. We had extremely positive feedback from the 46 organisations with regards to how engaged our students were throughout the day. We hope that students benefited from the experience and felt empowered to start making informed decisions as they contemplate future opportunities.

Well done to all those who took part.

Woscars Celebration Evening: We are looking forward to seeing the winners of this year's Woscars awards, and their parents, on Wednesday evening and celebrating their achievements. Students should arrive by 5.45 pm so that they can be registered while parents take their seats in the Hall.

Mrs Oswick, Vice Principal – Whole School Improvement

The transition activities from the primary feeder schools have already started and it has been great to see the levels of excitement and eagerness among the year 6 students as they sample the range of subjects we have to offer. Both transition evenings were very well attended and the year 10 prefects supporting the evenings were brilliant as hosts and answering any questions. Year 12 are busy getting UCAS registrations underway ready for the university application process and they too are applying for prefect and Principals Council places, so we have some tough decisions ahead (but such good ones to have to make!).

Mr Fehners, Director of Communications

Student Achievement: Congratulations to the following pupils for winning the TopClass Science final: Callum Wall, Dominic Cripps, Elliot Joyce, Emily Applegate, Eve Cameron, Gabby Nair, Isaac Taylor, Jack Munday, Jennifer Cox-Kersley, Lola Reeve, Maddie Smith, Nicole Winn, Szymon Niemczyk, Taylor Knight, Zachary Marshall-Bull. They faced Notre Dame in 10 head to head rounds and won 64-53. The pupils were a credit to the school and their Science teachers; answering some extremely tough questions and logic puzzles.

School of Rock Auditions: A reminder that auditions take place on Monday 10th July in S14. Students can perform ANY song of their choice - it doesn't need to be from the show. The audition pieces should be collected from the Performing Arts Office. The poster is attached on page 3.

Charity Bake Sale: A group of 10 Y8 students asked to do a bake sale in school for Breast Cancer Now charity and raised £70 for the charity. The girls are feeling proud of their achievements.

Summer Cake Competition Results: 1st place was Megan Russell and in 2nd place was Holly Crysell. Well done for your entries and for taking part!
